Breed: YES NO If yes, please list breed you prefer: _____

Age: YES NO If yes, please list age preference: _____

Please tell us anything else you would like us to know to help match you up with the right foster animal:

Staff Notes:

The BoneYard Animal Rescue

Foster Application

The BoneYard will not accommodate people fulfilling court-ordered community service within the Foster Program. The BoneYard does not accept into this program those convicted of violent crimes or crimes involving animal cruelty or neglect. Students seeking credit for school service requirements should speak with the Foster Coordinator/Lead to discuss the program before proceeding.

The BoneYard determines the criteria for fostering, decides which animals are eligible for foster care, and appoints foster caregivers from a pre-approved list of trained providers. The BoneYard will require you to fill out a foster application and a foster agreement. The BoneYard may refuse any specific request for any reason. The BoneYard staff will inform you of any medical treatments to be administered, anticipated length of the foster-care period, objectives of each particular placement (restoring to health, rearing to adoptable age, socialization, etc.), and any other restrictions or expectations we may have.

You will be expected to keep the animal safe and secure, return them to The BoneYard when requested to do so, and not promise the animal to anyone, or imply that you have the authority to approve a potential adoption. The BoneYard retains ownership of all animals placed in foster care, and will make all decisions regarding the adoption & placement of the animals fostered.

The foster parent is responsible for providing shelter, bedding, clean water, food (if not made available to you by The BoneYard) and toys for the animal while it is in their care at home. The foster parent is responsible for transporting the animals to and from The BoneYard and/or The BoneYard approved veterinary offices for veterinary appointments, surgery, behavior evaluations, vaccinations, etc. unless other arrangements have been made. The foster parent will also be responsible for transporting the animal to and from adoption events, and to onsite training classes, at the Foster Coordinator's discretion, unless other arrangements have been made.

I have read and understand the statements above. I certify that the information contained in this application is true and correct. I understand that although The BoneYard takes reasonable care to screen animals for foster care placement, it makes no guarantees relating to the animals' health, behavior or actions. I understand that I receive foster care animals at my own risk and can decline to accept any animal for which The BoneYard has asked me to provide care. I acknowledge that The BoneYard is not responsible for any property damage or personal injury suffered by me, members of my household, including my own animals, or any third parties during a foster placement, and I assume liability to provide adequate controls to prevent such damage or injury.
